Those who broke away did not call themselves villains.

They called themselves honest.

We will see weakness and cut it out.

Thus the Red Shadow was born.

They thought they were protecting people too.

Many shadows begin by borrowing the language of light.

RESPONSIBILITY DOES NOT LOOK AWAY

He was trying to protect the gate.

But protection without listening becomes control.

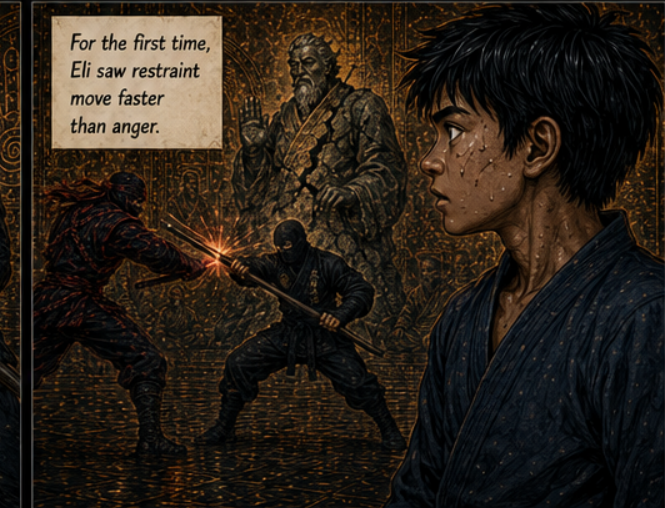

Yes.

Responsibility does not excuse the damage done in its name.

Stop adding to it.

The ancient name is damaged.

DESCENT TO THE LAST SHADOW

The path beneath the origin led deeper than history.

The eye showed hatred.

A shadow that wants every hand empty of vow.

THE FINAL DOOR

The final door

the story.

Open.

I said
open.

KRRRNNN...

We're
too late.

No. We are
exactly where
responsibility
brought us.

NEXT: THE SHADOW THAT BOWED

The final shadow
had waited without
sleeping.

Rise.

It

THOOM.

Then we

Next: THE SHADOW
THAT BOWED

THE SILENT HAND REVEALED

In the Chamber of Origin, Ashida Kim uncovers the truth behind the Silent Hand and its first vow: power must answer to conscience. But when Truth-Seeker claims the Severed Shadow Seal, he tears away the part of himself that could still stop. Now Ashida, Eli, Master Ren, and the Lantern Ghost descend beyond the Inner Gate—where an ancient hunger waits to rise.
